

How do I request access ?

EBS Workflow

Oracle Identity Manager [OIM]

OIM URL Link : <https://myaccess.mot-solutions.com/identity>

Login Credentials

User ID : [Your MSI Core ID]

Password : [One IT Password.]

Step 1. Click on the “Request access” box

Step 2. Request Access will allow you to raise request in two ways

Request for Self

Request for Others.

Step 3. Please Select “**Request for Self**”

Step 1: Click on Catalog

Step 2: On the search box Type “EBS” and click green search button

The screenshot shows the Motorola Identity Self Service web application. At the top, the Motorola logo and "Identity Self Service" header are visible. Below the header, there are tabs for "Home" and "Request Access x". A progress bar indicates the current step is "Add Access", with "Back", "Cancel", and "Next" buttons. A user profile for "Rajkumar Thiyagarajan" with a shopping cart icon and a notification badge is shown. A descriptive text states: "Search and select individual items from the Catalog tab. Sets of pre-bundled items commonly used in your organization can be selected from the Request Profiles tab." Below this, there are tabs for "Catalog" and "Request Profiles". A search section includes a "Search" label, a text input field with the placeholder "Keyword", and a green "Search" button. At the bottom, there is a "Categories" section, a "Sort By" dropdown menu set to "Display Name", and an "Add Selected to Cart" button.

Greenfield EBS Responsibilities

Responsibility Name	Temporary Access
MSI iSupplier Global Internal Supplier Access	☐

1. Search the Responsibility in Text box which is required to gain access for Oracle EBS. Click on the specific responsibility in the list and it will get added in your List of Responsibility Name
2. To raise for more than one EBS responsibility , repeat instructions on slide 6

The screenshot shows the 'Cart Details' page in the Oracle EBS interface. The page has a header with 'Submit' and 'Save As...' buttons. The main content area is divided into sections: 'Request Information', 'Cart Items', and 'Request Details'. The 'Request Details' section is titled 'Greenfield Oracle EBS Application' and contains a 'Details' sub-section titled 'Greenfield EBS Responsibilities'. This sub-section has a table with two columns: 'Responsibility Name' and 'Temporary Access'. The 'Responsibility Name' column contains the text 'MSI iSupplie' followed by a magnifying glass icon. The 'Temporary Access' column contains a checkbox. A modal window titled 'Search and Select: Responsibility Name' is open in the center. It has a 'Search' section with a 'Meaning' text box and 'Search' and 'Reset' buttons. Below the search section is a list of responsibilities. The list is titled 'Meaning' and contains the following items: MSI Supplier Management Global Finance User, MSI Supplier Hub Global Data Librarian Administrator, MSI Supplier Management Global Procurement Op..., MSI Supplier Management Global Administrator, MSI Supplier Management Global User, MSI Supplier Management Global Category Manag..., MSI iSupplier Global External Supply Chain Collab..., MSI iSupplier Global Internal Supplier Access (highlighted in yellow), MSI ICX Argentina iProcurement Administrator, MSI ICX Argentina iProcurement, MSI ICX Austria iProcurement, MSI ICX Austria Tetron iProcurement, MSI ICX Australia iProcurement Administrator, MSI ICX Australia iProcurement Central Receiving, MSI ICX Austria iProcurement Administrator, and MSI ICX Austria Tetron iProcurement Administrator. The background of the page is dimmed.

Step 1. It is **very important** that you provide a **seven digit Supplier I.D** on the justification box so your approval can take place. If missed, approver will not be able to process your request.

Step 2. Click on “update” once you have provided your justification, then green “submit” button.

The screenshot shows a web form titled "Cart Details". In the top right corner, there are two buttons: a green "Submit" button and a grey "Save As..." button with a dropdown arrow. The main content area is divided into sections. The first section, "Request Information", is enclosed in a red rectangular box. Inside this box, there is a label "Justification *" followed by a large, empty text input field. A blue arrow points from the text "seven digit Supplier I.D" in the instructions above to this input field. Below the "Request Information" section is the "Cart Items" section. It features a "Display Name" header and a list of items. The first item has a green checkmark icon, a blue folder icon, and the text "EBS-APPS12::eBusiness Suite User" and "Application instance for Resource Object eBusiness Suite User and IT Resource EBS-APPS12". To the right of the item list are "X" and "i" icons. Below the "Cart Items" section is the "Request Details" section, which shows "EBS-APPS12::eBusiness Suite User" and an "Update" button. At the bottom, there is a "Details" section with a blue pencil icon and a button labeled "Ready to submit". A blue-bordered box at the very bottom contains the text "EBS Responsibility Request Form".

You are done, and request will be generated!

The screenshot displays the Motorola Identity Self Service interface. At the top, a green notification bar with a checkmark icon states: "Request 943103 was submitted for approval". This bar is highlighted with a red rectangular border. Below the notification, a "Home" link is visible. The main content area features three large, colored tiles: a blue tile for "My Access" (with a person and key icon), a light blue tile for "Request Access" (with a document and key icon), and a green tile for "Track Requests" (with a magnifying glass icon). Each tile includes a title and a brief description of its function.
